

Judith Neve

Education

- 2021—2023 **Methodology and Statistics for the Behavioural, Biomedical, and Social Sciences Msc**, *Utrecht University*, Utrecht, Netherlands.
Running GPA: 8.6
- 2017—2021 **Psychology and Statistics Bsc (Hons)**, *University of Glasgow*, Glasgow, United Kingdom.
Obtained with Honours of the First Class (highest distinction).
Dissertation project: The evolution of data sharing practices in the psychological literature.
 - [Preprint](#) (under minor revisions at Meta-Psychology).
 - [Open Science Framework project](#).
 - Aim: extend findings from two articles investigating journal policies' impact on data sharing rates.
 - Reused data, collected follow-up data, and modelled the effect of time and other variables on data sharing rates using generalised additive models.
- 2014—2017 **French Baccalaureate (international option)**, *Lycée Saint-Charles*, Marseille, France.
Obtained at 16.53/20 with highest honour.

Work experience

- Oct. 2021—
Apr. 2022 **Research Assistant**, *Department of Methodology and Statistics, Utrecht University*, Utrecht, Netherlands.
 - Conducting extensive testing of the R package CTmeta:
 - Testing input and output for each function.
 - Checking the clarity and accuracy of the documentation. Where necessary, modifying the documentation.
 - Where necessary, modifying functions to improve the quality of the output.
- Nov.—Dec.
2021 **Teaching Assistant**, *Department of Psychology, Utrecht University*, Utrecht, Netherlands.
 - Led fortnightly tutorial sessions for two different groups of 20 second-year undergraduate psychology students. The tutorials focused on understanding and applying statistical methods and critically assessing a published research article.
 - Reviewed homework prior to each tutorial sessions and modified the teaching materials accordingly to focus on identified difficulties.
- Oct. 2021 **Teaching Assistant**, *Department of Information and Computing Science, Utrecht University*, Utrecht, Netherlands.
 - Identified documents relevant to each element of a list of 150 statistical queries.
- June—Dec.
2020 **Research internship under the supervision of Dr. Zsolt Péter Szabó**, *At Work Kft.*, Budapest, Hungary.
 - Conducted exploratory and confirmatory factor analyses on a Hungarian translation of the Short Dark Triad questionnaire for validation of the questionnaire.
 - Third author on the [resulting publication](#).
- June—Aug.
2019 **Voluntary research work under the supervision of Dr. Emily Nordmann**, *Department of Psychology, University of Glasgow*, Glasgow, United Kingdom.
 - Led exploratory analyses on a language use dataset collected prior.
 - Conducted a literature search and wrote a literature review.
- June 2018 **Field investigator**, *MC2, Préval*, France.
 - Collected responses to a questionnaire in a restaurant.

Prizes and awards

- 2021 **Distinguished first class Honours**, *University of Glasgow*, United Kingdom.
Among the 25% highest performing first class honours students in Psychology.
- 2021 **Research Methods prize**, *University of Glasgow*, United Kingdom.
Best final year project in research methods.
- 2020 **SAS prize with high distinction**, *University of Glasgow*, United Kingdom.
Best final year project on Bsc Psychology and Statistics.
- 2020 **Merit list Psychology level 3**, *University of Glasgow*, United Kingdom.
Figuring on the list of psychology students obtaining an A grade in academic year 2019/2020.
- 2018 **Merit list Psychology level 1**, *University of Glasgow*, United Kingdom.
Figuring on the list of psychology students obtaining an A grade in academic year 2017/2018.
- 2016 **Olympiades Académiques de Mathématiques**, *Académie Aix-Marseille*, France.
First place in an academy-wide mathematical problem-solving competition.

Key skills

Programming languages.

- R — proficient
 - Familiar with base R and tidyverse.
 - Data wrangling, visualization, and analysis.
 - Writing functions.
 - Data simulation.
 - Reproducible reports in R Markdown.
- LaTeX — beginner
 - Personalisation of templates.
- GitHub — beginner
 - Collaboration on projects using the same repository.

Languages.

- French — C2
- English — C2
- Hungarian — C1

Clubs and societies

- 2020—2021 **Vice President Treasurer**, *Glasgow University LGBTQ+ Society*.
 - Part of the executive in one of the largest Scottish student societies.
 - Worked with the President and Vice President Secretary to chair the 18-people committee.
 - Managed society finances.
 - Collaborated with other societies.
- 2019—2020 **International Officer**, *Glasgow University LGBTQ+ Society*.
 - Worked in a group to ensure the smooth running of the society.
 - Organized international student-oriented events.
 - Contact point with culture and language societies.
 - Contact point between international students and the committee.
